

**VOLVO PV444, PV544, P210,  
P120, P130, P220****Interior light complete**

When restoring your classic Volvo you don't have to stop at the interior light anymore. It was not available for a long time but now we reproduced it true to the original: even the interrupter is in the original colour. What is more, we put emphasis on the best quality possible – while making available the interior light at an attractive price.

The cover of the interior light is made of plastic, just like the original and has a chromed rim. A 12V illuminant is included.
