

## VOLVO P210 / PV445

### Fuel tank sender unit

When there were problems with the fuel tank sender unit while restoring a Volvo P210 / PV445, the owners often were helpless because there weren't any useful spare parts available. That's why we had reproduced with great care a fuel tank sender unit for the Volvo P210 / PV445.

This fuel tank sender unit is now available with all the necessary seals. The set satisfies with an attractive price and can be mounted easily in the fuel tank with the round head screws (Art. No.: S-N10 X1/2" RK/U, round head screw UNC Nr.10 x 1/2") available at BASTUCK.

- » **seal included**
- » **attractive price**
- » **suitable screws available**
