TR2-4A AND TR5-6, GT6, SPITFIRE MK4

Con rods

After true-to-original con rods for TR2-4A and TR5-6, GT6 as well as Spitfire MK4 were not deliverable for a long time, they are now available from us.

We offer a forged variant made of high-quality 42CrMo4 steel at an attractive price and have supplemented the con rods with con rod bolts and con rod bushings to form a ready-to-install set. However, the con rod bolts can also be purchased individually.

- » complete with con rod bolts + con rod bushing
- » high-quality, forged variant made of 42CrMo4 steel
- » con rod bolts also available individually
