COMBINATION WRENCH SET 13-PIECE

Anyone who works a lot on their vehicle knows that good tools are essential. If these can also be neatly stowed away and are quickly to hand, then these are the best prerequisites.

With the new BASTUCK combination wrench set, we have added a high-quality set to our range. The 13-piece combination spanner set consists of eight combination spanners from 1/4" to 3/4" and five ring spanners from 1/4" to 13/16". They are forged from high-quality chrome vanadium steel and the surface is finished in matt chrome.

The accompanying tool roll in „Vintage British Racing Green“ can be hung on two eyelets or rolled up to save space and then also easily stored in the vehicle
