TRIUMPH SPITFIRE MK3 AND GT6 MK2

RADIATOR GRILLE

When restoring a Triumph Spitfire MK3 or a GT6 MK2, owners always reached their limit regarding the radiator grille, as it has not been available for several years. Therefore, we have taken the initiative and reproduced the radiator grille true to detail.

The BASTUCK radiator grille (item no. KA9SPTMK3) is now available and corresponds to the original Stanpart quality. It is made of high-quality PU-Rim plastic and manufactured in a modern injection moulding tool.

In addition to the Spitfire MK3 and GT6 MK2, it is also suitable for all Spitfire MK1-2 and GT6 MK1 models, where it can be fitted instead of the aluminium grille, which is no longer available.
