#### COVER FOR FUSE BOX

We have taken another step in optimising our product range for classic Volvo P1800 S/E/ES. Every owner knows the worry that sets in as soon as a defect occurs in the cover or the fuse box itself, because both items have been out of stock for decades. In a first step, we have carefully manufactured the cover for the fuse box from high-quality plastic (PA11-MJF).

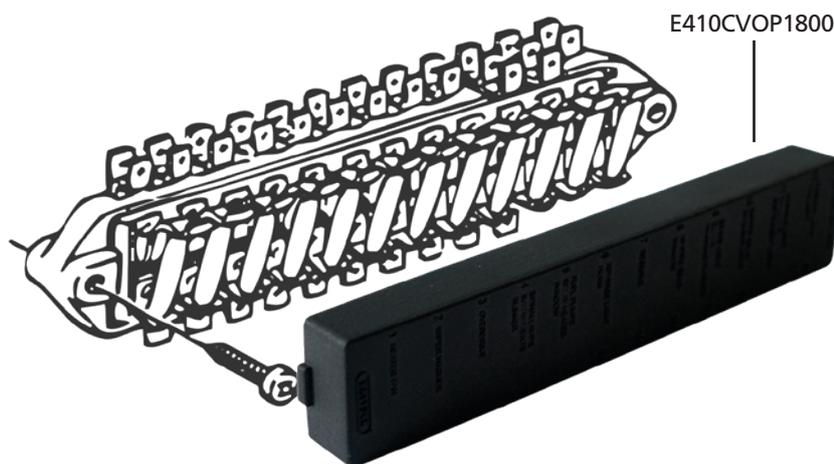

The modern manufacturing process ensures an optimal fit and an attractive price for our customers. The cover for the fuse box is available in our shop with immediate effect.
