

BASTUCK PRODUCT INFORMATION

EDITION 48/21 | 01.12.2021

VW GOLF 8 R

SPORTS EXHAUST SYSTEM

In the Volkswagen Group, the R product line is known for bringing motorsport to the road. The VW Golf 8 R is the epitome of sportiness and embodies the passion for motorsport in every detail. With the new BASTUCK sports exhaust system, owners of a Volkswagen Golf 8 R can further emphasise the sporting image of their vehicle.

The complete system consists of a connection tube and the rear silencer, which is available in two tailpipe versions. You can choose between the extremely sporty tailpipe variants „Quattro RACE“ with double tailpipe (LH + RH, 2 x Ø 100 mm, RACE look) and the same variant with carbon tailpipes (Quattro RACE Carbon, double tailpipe LH + RH, 2 x Ø 100 mm, in RACE look). Both rear silencer variants are designed to be compatible with the original exhaust flap control.

In addition to the appearance, the sound as well as the performance are decisive for every BASTUCK sports exhaust system. Our customers can get an idea of the sound of the new sports exhaust system in advance with the BASTUCK sound file, which can be downloaded [here](#). Regarding the performance data, a clear increase of 4.9 KW* can be expected with the BASTUCK sports exhaust system.

- » XL complete system from particulate filter
- » BASTUCK soundfile available
- » 4.9 KW* power increase

Verwendung Die Edelstahl-Auspuffanlage ist zum Anbau an folgende Fahrzeuge geeignet: Utilisation Les échappements inox peuvent se monter sur les véhicules suivants:		Application The stainless steel exhaust is suitable for the following cars: Utilización El sistema de escape en acero inoxidable está previsto para los siguientes vehículos:	
Typ Type Tipo		ABE-Nr./Gen.-Nr. N° série EEC-No Numéro de série	
Motortyp Type moteur Engine type Tipo de motor		Verkaufsbezeichnung Type véhicule car type Tipo de vehículo	
Hubraum Cylindrée Capacity Cilindrada (cm³)	Nennleistung Puissance nominale Nominal power Potencia nominal (KW/min)	Motortyp Type moteur Engine type Tipo de motor	Hubraum Cylindrée Capacity Cilindrada (cm³)
CD		VW Golf 8	
DNFG/Otto	1984	e1*2007/46*2014*..	

Hinweis:
Es kann nur die Komplettanlage montiert werden.

Remarque:
Il est impératif de monter la ligne complète.

Attention:
Only the complete system can be mounted.

Nota:
Sólo se puede montar el sistema completo.
