

High-quality chassis parts for Triumph models

- Perfect fit
- Reproduction true to the original
- High-calibre BASTUCK quality

Our product range for high-quality Triumph chassis parts is continuously growing and we have added yet another high-quality article recently. As reproductions true to the original with perfect fit, you may now order the rear panel for Triumph TR 2-3, the panel next to the boot lining (LH/RH) as well as the bonnet for the TR4. All of our chassis parts have been carefully constructed with newly created tools thus ensuring their perfect fit and high quality.
