

Spitfire 1500 from FH100020/FM60006 Triumph TR7

Ignition lock on steering column

For diverse Triumph/Spitfire models we have now added a brand-new product to our assortment: the BASTUCK ignition lock guarantees a theft-protection of your vehicle and is a newly manufactured spare part.

For many years the ignition lock had been sold for overcharged prices, so we decided to reproduce this spare part by ourselves in a high quality in order to be able to sell it at a reasonable price.

The BASTUCK ignition lock fits for your Spitfire 1500, VIN FH100020 and FM60006 onwards as well as for Triumph TR7 models.

- » perfect fit
- » true to original reproduction
- » high level of quality
