

Spitfire MK1/2 + GT6 MK1: Bumper and overrider

- high BASTUCK Classic quality
- perfect fit
- true to original reproduction

Those of you who have restored their Spitfire MK 1/2 or GT 6 MK1 or plan to do so will know that both the bumper as well as the typical overriders have not been available for many years. To work against this shortage, we have reproduced these parts with a new pressing tool in steel and with great faithfulness to detail and have equipped them with a high-value chrome plating.

All parts are now available from our stock.
