Volvo P1800

Rear lights

The rear lights are now complementing our Classic range of products for the Volvo P1800. They correspond to the original rear lights, quality and together with the attractive BASTUCK price they represent a convincing combination and meet the expectations which owners of a Volvo P1800 have for their spare parts when restoring their vehicle.

For a long time the rear lights have not been available at all or just in inferior quality and at very high prices. To remedy this situation we have made these rear lights permanent articles of our assortment.
