### TRIUMPH GT6 MK 1-3

## Rear windscreen heated or unheated

Every Triumph GT6 MK 1-3 owner knows that when restoring there are several parts very difficult to get. One of them is the rear windscreen. There were only exceptionally windscreens, just in the case you could get them. Due to they had often overcharged prices and they were of a lower quality, they didn't resolve the restoring problems.

Just for this reason we have decided remanufacture the rear windscreens. Whether heated or unheated they are from now on available in a quality equivalent to the original, and all this in 2 versions. transparent or green tinted. Besides, they convince because of their attractive prices.

- » **New available in transparent or green tinted**
- » **original quality**
- » **attractive price**
