EDITION 40/18 | 02.10.2018

Triumph TR 2-3

Rear wing

For all Triumph TR 2-3 the rear wing is now available, thus complementing our range of products for car body parts. Many customers might think of the principle "good things are worth waiting for" as they have been waiting for exactly this spare part for a long period of time.

The rear wing's quality corresponds to those of the original equipment manufacturer (Stanpart): it is made of galvanised deep drawing sheet and equipped with a high-quality primer. Next to this, it convinces by its characteristically attractive BASTUCK price.
