VOLVO PV544 and P210

Bumper guards

The bumper guards are parts of classic Volvos – both in front for PV544 & P210 and at the rear on Volvo PV544. The chrome accessories were not available for a long time. For this reason we have decided to reproduce them in high quality and offer them to our Volvo customers.

The Volvo PV544 and P210 front bumper guard as well as both rear bumper guards (right + left) can be now ordered from us.
